

Testimonials about Exceptional Life

Living the Life You Were Meant to Live

“Congratulations on your outstanding new book *Exceptional Life* . . .looks terrific! You really put it altogether compactly. It will be a great guide for inspired, successful living for all who read it.”

—Ed Foreman,
United States Congressman from two
different states, Millionaire by age 26, and
Success Expert and Author

“In *Exceptional Life*, Kurt offers a path that will enable you to be transformed by your highest ideals and visions and to live them in practical ways every day of your life. Kurt will show you it is possible and how you can do it. Take the challenge. Wake up. Seize this moment and start to turn your best dreams into reality.”

—Joe Brodnicki, President,
Success Navigation Associates

“This book is a roadmap of basic philosophies and practical approaches for a living journey from 'I Will' to 'I Am' . . . , with the offering of an "Exceptional Life " as the destination.”

—Patricia Leonard,
Speaker, Actress and Professional Coach

“Kurt’s book is perfectly titled—if you are looking for specific directions on living an Exceptional Life, THIS is the road map you’ve been looking for all your life.”

—Bill Karlson, CPC
Author of *Get Top Dollar in a Job You Love*

“Kurt DuNard is a thoughtful and eloquent writer. In reading *Exceptional Life*, I found that, without much effort, I was reflecting on my life’s purpose and accomplishments. I have begun the ideas from *Exceptional Life* to enhance my work and relationships.”

—Rhonda Borman, MA, MSSW, LCSW,
Author, Speaker, Storyteller

“Kurt DuNard’s *Exceptional Life* is a splendid blending of vivid parallels with practical solutions for avoiding the human wastefulness of living the unproductive life. Kurt shares the belief that we come to this earth with unique talents and traits that in themselves are neither good nor bad. However, only when those characteristics of our “hardwiring” are then aligned with higher goals and objectives, do we reach a measure of our true purpose for being. This book is a compass.”

—John Bracewell, President
ComposiTEAM™ Leadership System

“This is the book I recommend to people who not only want success but also meaning, happiness and significance.”

—Robin Crow, Entertainer,
Author of *Jump and the Net Will Appear*

“Kurt's stories paint vivid pictures with down to earth examples. He takes impressive ground breaking research and presents it in a way that anyone can understand and use to their benefit beginning today.”

—Barbara L. Fielder, Speaker,
Author of *I'm Communicating, but...am I being heard?*
and *Motivation in the Workplace*
