DuNard Shocks Self-help Experts

Exceptional Life recently came off the press to amazed readers. DuNard has contradicted some of the so called self-help experts of the past fifty years. Their message was “get rich and be happy.” His is: “find the life you were meant to live, live it and then find satisfaction.” *Exceptional Life* is an instruction manual for finding our raison d’être and then going for our purpose in life. His message gets to the very core of why we exist.

“Why are we here? Great mysteries and fear have plagued mankind with this question. But once you find the answer it will seem so simple that you will be surprised that it was man’s most difficult problem.” *Exceptional Life* helps the reader discover the secrets to:
